

BLU-RAY TOWERS

A new era in recordable media is here. Expected to revolutionize digital and high-definition storage, the Blu-Ray disc provides for high-capacity data recording and duplication of over 24GB per disc.

System Overview

The CopyWriter Blu-Ray series of tower duplicators employs either 4 or 10 recorders. The hard drive comes standard with the Pro system and allows for archiving of up to six 25GB disc images. An intuitive, menu-driven display and a 5-button control interface provide one-touch operation for the novice user while providing advanced features for the professional.

Advanced Features

- Standalone BD-R/BD-RE and DVD+-R/RW/DL duplicator
- PC-connect through USB 2.0 to one drive
- One-touch duplication
- Speed-selectable for DVD+/-R
- Supports writing to BD-R/BD-RE and DVD+-R/RW/DL
- Copy and verify
- Hard drive standard for standalone BD/DVD image archival
- Store multiple hard drive images
- Counter feature allows user to input number of discs needed to be copied, and keeps track of total discs completed
- Automatically detects BD or DVD masters
- Simulation mode to ensure recording stability
- Easy-to-read, two-line display for status and error reporting
- Updates easily installed through Blu-Ray drive

Specifications

Supported recording media: BD-R/BD-RE and DVD+-R/RW/DL
Power Source: 115V/230V 50-60Hz switchable power supply
Weight: 58 lbs.
Dimensions (10-Bay): 7.48" W x 16.75" D x 24.5" H
Power Supply: 400W
Environment: Temperature: 40°C (104°F) / 5°C (41°F)
Humidity: 20%-80%
