

DISC PRINTERS

The PF-2 Disc Printer

For years, Microboards has provided the fastest, highest-quality duplicators in the world. Based on our popular Print Factory design, the PF-2 achieves the **highest throughput** without sacrificing quality because it is the **highest resolution** CD/DVD printer on the market. And you can do it for a **lower cost-per-disc** than any other printer! Additional features include a 100 disc capacity and spindled output for perfectly handled discs every time!
