

VS350

Multi-Purpose Labeler, Flap Folder & Tabber

Product Features

- ⊙ **Universal labeler**
- ⊙ **High throughput – Over 4000 per hour**
- ⊙ **Suitable for labeling jewel cases, DVD cases, audio cassettes, VHS cassettes, CD sleeves**
- ⊙ **Applies security tabs around Jewel cases & CD sleeves**

The universal VS350 will apply labels to a wide variety of products at up to 4000 pieces per hour! The VS350 can label VHS cassettes, CD envelopes, CD jewel cases, audio cassettes, in fact any product with a flat surface to maximum height of 2" (50mm) and width of 8.3" (210mm).

Labels can be in either fan fold or reel format. The VS350 can be used as a standalone unit or incorporated in a production conveyor line. Multiple units can be placed in line to form a complete tabbing, labeling and bar coding system.

Labeling

The VS350 can apply product, promotional or bar code labels to any size of package up to 2" (50mm) High, 8.3" (210mm) wide, and any length. The versatile VS350 can use paper or plastic labels or tabs with clear or solid backgrounds.

Flap Folding

The VS350 automatically folds the flaps of paper and tyvek CD sleeves and will also add a label tab to fasten down the flap.

Sleeve & Jewel Case Hopper

The VS350 hopper can dispense paper, plastic and tyvek CD sleeves plus CD jewel cases. The hopper holds 220 typical paper sleeves or 34 jewel cases and can be refilled while the unit is running. With the addition of the CD sleeve hopper, feeder and folder the VS350 becomes an automatic flap folder. This option will dispense CD sleeves with and without flaps and also CD jewel cases.

Sleeve and Jewel Case Tabber: The tabber option allows the VS350 to apply and fold sealing tabs/labels round the edge of CD jewel cases and open ends of cardboard sleeves. The tabs/labels can be paper or plastic, clear or solid.

Warranty

12 months back to base, all parts and labor included. Extended warranties also available.

Options

Tabber for Sealing Jewel Cases and CD Sleeves
Hopper for Jewel Cases and CD sleeves
